Rhestr Gwin

Welcome to the Waterloo Hotel in the heart of Betws y Coed and the gateway to the magnificent Eryri National Park. We hope you enjoy our wine range which has been chosen to represent stunning producers from around the world with exclusive listings selected from niche & passionate growers.

As you will see our range features a majority of Vegan & Vegetarian wines, with sustainable producers being a key influence.

Our house recommendations would be the beautifully fresh & fruity Organic Picpoul de Pinet from Southern France and the aromatic Spanish Albariño from Galicia which both pair beautifully with seafood dishes. For the red wines our tip would be to explore the Negroamaro from Puglia which is bursting with rich dark fruits or if you are looking for a lighter style then the Pinot Noir from Burgundy will be sure to not disappoint and pairs exquisitely with Welsh Lamb.

We couldn't not mention the Provence Rose an Instagram favourite, this stunning bottle is definitely a head turner and you may also notice our Orange Wine from the La Baumé Winery which is produced by fermentation with the grape skins to create a different style of white wine that has a more robust body due to the influence of tannin.

Finally for the sparkling it is worth considering the French Cremant which offers a fantastic value alternative to Champagne and has a magnificent sparkling mousse and a more dry style than the Italian Prosecco's.
