## Food Allergies & Intolerances

Please Inform your server of any allergen or intolerance before placing your order for food and/or drink. Our full Allergen Information Booklet is available upon request. All dishes are prepared in areas where allergens are present. Therefore, there is a risk that ingredients used in your meal may have come into contact with an undeclared allergen, leading to cross contamination. Cooking equipment (e.g., fryers, grills etc) and food preparation areas may be shared, with fried items containing different allergens cooked in the same frying oil.

Please scan the QR code for full allergen and ingredient information.
